

Technical Data Sheet

AIR FRESH

DESCRIPTION

AIR FRESH is a concentrated liquid spray that freshens and deodorises. AIR FRESH is particularly useful for sickrooms, hospitals, bathrooms, hotel rooms, toilets and automobiles etc.

APPLICATION

AIR FRESH is used through an atomiser spray bottle. Only a few sprays are needed to leave the room deodorized and smelling fresh.

DIRECTIONS FOR USE

AIR FRESH can be diluted up to 1 : 5 with clean water.

BENEFITS:

- Does not spot or stain fabric
- Does not leave a residue
- Biodegradable

CONDITIONS TO AVOID

- Temperatures below 5°C and above 30°C
- Direct sunlight
- Acids, oxidizing agents, and other detergent

PRECAUTIONS

Avoid contamination with food and beverages

APPROPRIATE PPE WHEN HANDLING PRODUCT

Respiratory protection: Not applicable under normal use conditions.

Hand protection: Use impervious gloves when dispensing and diluting. Not applicable under normal use conditions.

Eye protection: Use safety goggles when dispensing and diluting. Avoid direct contact.

Skin and body protection: Not applicable under normal use conditions.

FIRST AID MEASURES

Inhalation: Move to fresh air. In case of discomfort, seek medical attention.

Skin contact: Flush with a copious amount of water. Remove contaminated clothing. Use a skin cleaner. In severe cases seek medical attention.

Eye contact: Rinse immediately with a copious amount of water, and seek medical attention.

Ingestion: Wash mouth with a copious amount of water. Do not induce vomiting. Drink 2 glasses of water, and seek medical attention.

STORAGE

The shelf life is 24 months for unopened containers stored under moderate temperature conditions. Store only in original containers. Keep container tightly closed in a dry and well-ventilated place. Containers that are opened must be carefully resealed and kept upright to prevent leakage. Store between 5°C and 30°C, away from direct sunlight. Do not store or use with the following product types: Strong acids, oxidizing agents, and other detergents. Keep away from food and drink. Keep out of reach of children and pets.
