

TECHNICAL DATA SHEET

PINE GEL

DESCRIPTION:

A viscous, concentrated gel, being a blend of natural soaps, surfactants and pine oil.

USES:

PINE GEL is safe to use on all hard surfaces, wall, windows, tiles, basin, bath, stainless steel etc.

RECOMMENDATION:

Maintenance cleaning – add 50 to 100 grams to 5L (small bucket) of warm water.

PINE GEL can be used for the cleaning of heavily soiled surfaces.

PINE GEL is especially suitable for the toilet areas, leaving a pleasant lingering pine odour.
